

# Tempy.air Plus+

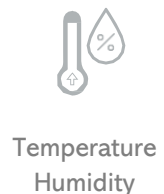

Automatic Non-contact Body Thermometer &  
Indoor Air-quality Monitoring Device

Temperature Check & Green Air Care

Tempy.air  
(TMS-2101)

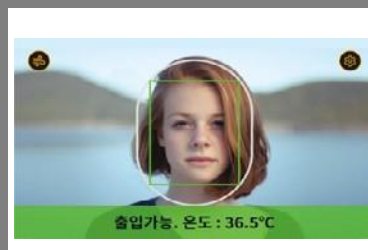

Air-Quality Monitoring

Plus+

2 Different Modes

1

Automatic Non-contact  
Body Temperature Check

2

Indoor Air-quality  
Monitoring

# Product Specifications

## Manufacturer

|         |                                                                           |
|---------|---------------------------------------------------------------------------|
| Company | Tempus Inc.                                                               |
| Contact | +82-2-944-6524                                                            |
| FAX     | +82-2-944-6522                                                            |
| Address | 12F Seoul-Technopark, 232 Gongneung-ro,<br>Nowon-gu, Seoul, Korea (01811) |

## Display

|            |                   |
|------------|-------------------|
| Size       | 4 inch            |
| Resolution | 800 X 480 (pixel) |
| Model No.  | TMS-2101E         |

## Processor

|        |          |
|--------|----------|
| MCU    | V526     |
| OS     | Linux    |
| Memory | 256Mbyte |

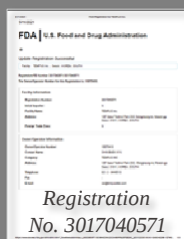

## General Info

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Power             | INPUT : 100-240V 50~60HZ 0.2A    OUTPUT : 5V/1A |
| Power Consumption | 5V / MAX 500mA                                  |
| Size              | 112.5(W) X 230.5(H) X 43.5(D)                   |
| Weight            | 550g                                            |

## Interface

|          |                                 |
|----------|---------------------------------|
| Power    | USB C TYPE                      |
| LED      | Normal : GREEN    Warning : RED |
| Speaker  | MAX 1W                          |
| USB HOST | USB 2.0 A TYPE                  |
| Language | KR/EN/FR/SP/JP/CN               |
